For more information, to schedule an appointment or if you need special accommodations or interpreters, please call 1-800-578-4266, or check the Gillette website at www.gillettechildrens.org click on *Coming to Gillette*.

Please note that all clinic dates are subject to change.

Minnesota Children with Special Health Needs (MCSHN) clinics, see Minnesota children 0-21 years. These clinics, in addition to the technology team, have children's specialty doctors, physical therapists and others to assess children, make diagnoses and recommend further evaluation and/or treatment. For appointments call 1-800-578-4266.

Community clinics are open to people of all ages and supported through various community groups, including the regional Assistive Technology Networks, United Ways, local foundations, and local service providers.
