Patients and families should park in the West Ramp, which is connected to Regions Hospital. Its entrance is on Jackson Street.

Tall Vehicles

If your vehicle is taller than 7 feet, please go to the main entrance to Regions Hospital (off Jackson Street). Use the valet parking. If you have Gillette stamp your valet ticket, the cost for valet parking is the same as the cost for parking in the West Ramp.

Accessible Parking

All of the parking spots on Level D are large enough for wheelchair-accessible vans. Additional patient parking is available on Levels C, E and F. Those levels have accessible parking spaces near the hospital entrances, but the spaces aren't large enough for wheelchair-accessible vans.

You must have an accessibility (handicap) sticker to park on Level D or in any of the other accessible spaces.

Parking Rates

To receive a reduced parking rate for patients and families, simply bring your parking ticket to the main desk in any Gillette department. We'll stamp your ticket.
