

Prepare for Your Visit

We're eager to help you plan a successful experience at our hospital and clinics. In this section, you'll find information to help you prepare for your visit.

In addition to reviewing the resources available here, please follow any instructions you receive from your providers in person, over the phone or by mail.

Get Ready to Visit Gillette Children's

[Your Medical Records](#)

[We often need to review medical records and test results from your other doctors and therapists. In most cases, we can work directly with your providers to get your records.](#)
