

**GILLETTE CHILDREN'S SPECIALTY HEALTHCARE – REHABILITATION THERAPIES MEDICAL EQUIPMENT
VENDOR RESOURCE LIST**

The following vendors handle durable medical equipment. When selecting a vendor, we encourage families to consider many factors. These factors include who your insurance or third party payer specified, recommendations from other families, the vendor's knowledge of pediatrics, and how the vendor's service and payment policies fit with the family's needs and preferences. We do share our expectations, and relevant policies and procedures with the vendors on this list. We routinely add to this list other vendors used and recommended by Gillette Children's Specialty Healthcare families. Please contact the Rehabilitation Therapies Site Supervisor if you would like to recommend a vendor to add to this list. (651-229-3960)

The National Registry of Rehabilitation Technology Suppliers (NRRTS) provides a mechanism for consumers, clinicians and third party payers to identify qualified suppliers in order to ensure the provision of high quality rehabilitation technology and related services to people with physical disabilities. NRRTS promotes the highest standards of ethical conduct by its members. When accepted into membership in NRRTS a member subscribes to a code of ethics (copies available upon request).
